Deadline for receiving nominations: Sunday, April 6, 2025

Educator development at the AABIP meeting aims to enhance teaching effectiveness by emphasizing hands-on simulation training. The Educator Development sessions provide a structured platform where participants can refine their skills in curriculum development, interactive teaching, and delivering effective feedback, with a primary focus on immersive simulation-based learning. This year, we will highlight the best practices in designing and implementing simulation scenarios, debriefing techniques, and optimizing learner engagement to improve procedural education and clinical training.

Interested attendees must submit an application; selected applicants will be invited to participate in the session.

☐ Day 1: Friday, August 15 | 7:30 AM – 8:30 AM | Room: Interactive 1

☐ Day 2: Saturday, August 16 | 9:30 AM – 10:45 AM | Room: Interactive 1

☐ Apply by **Monday, July 14** [Apply](#) Mission IP 2024 will be the

ultimate knowledge and skills-based competition that brings together teams from the four geographical regions of the United States. Get ready for an exciting event on **Saturday, August 24th, from 01:45 PM – 02:45 PM in the “Main” room.**

Come show your support and cheer for your colleagues and friends as they engage in this exciting and interactive team session.
