

# Pediatric Interventional Pulmonology at AABIP 2025

Join a growing community of Pediatric Interventional Pulmonologists at AABIP 2025 in Austin. Now in its second year, the **Pediatric IP Track (PEDS)** continues to offer targeted, high-value content designed to support and strengthen your work in pediatric care. This focused track delivers practical education, hands-on training, and opportunities to connect with peers who understand the unique challenges of practicing Pediatric IP.

## What to Expect:

- **Tailored Pediatric Sessions** across all three days
- **Skills Training & Simulation** focused on pediatric techniques
- **Dedicated Networking Event** to connect with your peers

Use the schedule below to plan your Pediatric IP experience—and scroll through the photo gallery to get a glimpse of what's ahead in Austin.
