Dear Colleagues,

The American Association for Bronchology and Interventional Pulmonology is pleased to invite you to Austin, Texas for the **8<sup>th</sup> AABIP Annual Conference** to be held on **August 14-16, 2025.**

We are excited to be back for a comprehensive in-person program this year. Expanding on the achievements of the previous year, the AABIP Annual Conference will integrate world class faculty with hands-on simulation education, case- and problem-based small group discussions, as well as interactive and didactic sessions. There will be live poster sessions, clinical video vignettes, and a research symposium. Networking sessions with specific educational tracks will be highlighted. We invite you to join us in Austin for this in-person experience.

The Annual AABIP Conference provides adult and pediatric interventional pulmonologists, advanced bronchoscopists, critical care specialists, thoracic surgeons,

otolaryngologists, advanced practice providers, respiratory therapists, nurses, trainees and industry colleagues, with the opportunity to meet, discuss and learn about current trends and the latest technological developments, industry breakthroughs and guidelines for thoracic diseases.

We welcome you to Austin, the heart of Texas, where live music fills the air. Immerse yourself in Austin's unique blend of Southern hospitality, cutting-edge innovation, and rich cultural history. We can't wait to see you and your colleagues for an unforgettable educational experience on August 14-16, 2025!

Sincerely,
