

Why Attend

Join us in Austin for AABIP 2025!

Look through all the learning and growth opportunities available for you.

AABIP 2025 is the converging place for interventional pulmonologists, advanced bronchoscopists, critical care specialists, thoracic surgeons, advanced practice providers, respiratory therapists, nurses, trainees, industry colleagues, and more, to exchange knowledge.

Share your latest research at our Austin stage and get your career to the next level. Your findings could be the key to unlocking new advancements that could help improve our patients lives.

Meet colleagues from all over the world, share experiences and interchange ideas to further develop Bronchology and Interventional Pulmonology. Each other's findings could be beneficial to make new discoveries together.

AABIP 2024 provides you with the opportunity to meet, discuss and learn about current trends and the latest technological developments, industry breakthroughs and guidelines for thoracic diseases.
